## Financial Report

Jim Jenkins presented the financial report as follows:

- The LTA finances have been in the black for 5 years and the Board has been a good steward of the LTA's finances. The cash reserves have been built up over the last few years.
- This year the forecast will be a deficit of about \$1500. This is due to the loss of a championship donor that had been budgeted when target prices were set during the board meeting.
- The Board will address how to make up the deficit for next years budget with the options of being raising target prices, finding a replacement donor, or cutting services.
- No extraordinary expenditures were made this year.
