## Financial Report

Jim Jenkins presented the financial report as follows:

- This year the forecast is bit cloudy with the reduction in targets for Event 4 & 5 but the forecast should be within a few hundred loss or few hundred gain. The general fund has a good balance as costs associated with the shoot management have been kept low from performing the work ourselves.
- Danny Batten continues to do a good job on holding trophy costs down.
- The target prices were able to be held this year even with a cost increase from White Flyer
- No extraordinary expenditures were made this year.
- Batteries may need to be purchased for our laptops.
