2. 2020 State Shoot Rescheduling
 - a. This meeting is the follow up to the shoot postponement earlier regarding picking a new shoot date.
 - b. Rescheduled dates discussed:
 - i. 6/18 to 6/21
 - ii. 7/23 to 7/26
 - iii. 9/10 to 9/13
 - c. Everyone felt that the June dates were probably too early.
 - d. The September dates coincide with the ATA's Open, but no one felt that would affect our shoot.
 - e. After discussion, Danny Batten moved that the LTA reschedule to July 23 to July 26, 2020. Doyle Brooks seconded and a unanimous vote followed. This date will be revisited if it is determined that the local hotels and restaurants are not reopened.
 - f. Doyle indicated that the ATA only required us to notify us of our plans and not get a prior approval for the dates selected. Doyle will notify then of the Board's decision.
 - g. Jim Jenkins was directed to publish the new dates via email and the website and to officially schedule the dates with the ATA.

- h. It was again confirmed that shooters who have pre-squadded may request a refund of their squadding fees prior to a month before the rescheduled dates. Jim Jenkins will issue the checks from the LTA account.
- i. It was discussed that the decision to have a local registered shoot was a local gun club decision, not the LTA's.
